

# JOSHUA & RUTH BARRON

CMF INTERNATIONAL

*Where in the world are the Barrons?*

*Maasai believers in Kajiado.*

*Drama from first lesson of Enkimosata Orerei Le Nkai curriculum, at the church in Endoinyo Erinka.*

*Sunday school in Olepishet.*

*Baptism in Miton - there were around 80 baptisms this day, the weekend that we were flying back to the States for furlough.*

*July 2009: Joshua with Josh & Alex, two new Christians whom he was privileged to lead to the Lord and immerse into Jesus at church camp in Tennessee.*

MISSIONARIES TO KENYA

*February 2010*

We have NOT just returned to Kenya ... it turned out that this January was not a good time for us to arrive back on the field for a variety of reasons. February would have been fine ... except that January 20 was the last day that the airlines would have let Ruth board an international flight. For those of you who haven't heard, rejoice with us! God is blessing us with a baby! Since our new little one is due in March, and the State Department will take about six weeks to get us the new passport, we are now planning to return to Kenya in May. In the meantime, we are keeping busy with church reporting, support seeking, developing drafts for our next curriculum projects, homeschooling, and getting ready for Baby!

Please pray with us:

- *For a healthy pregnancy and delivery (for both Momma and Baby).*
- *For sufficient support for us to return (we still need \$1,135/month plus \$12,600 in one-time support).*
- *For the Maasai churches to grow in both depth and number.*

Grace and peace,

*Joshua & Ruth*
